Equipment & Capabilities

Your First Choice for Heavy Haul Trucking Services

We take heavy haul trucking to the next level

The **SUPOR** team has the resources, expertise, and experience you can trust. Whether it's a heavy-duty transformer, a fuel tank, or an infrastructure component to be installed across the country - or the heavy equipment needed to put it in place — we can provide safe and secure transport of highly specialized, “**SUPOR-Sized**” loads up to 1,000 tons or more.

Major players in the utility, petrochemical, engineering, and pharmaceutical industries have relied on us to prepare and execute the delivery of specially configured, heavyweight, and over-dimensional loads — whether by long-haul trucking or connections with rail and water-based transport to any destination in the continental United States, Canada, or Mexico.

Our business is helping *your* business

SUPOR Heavy Haul offers a complete collection of equipment and software that complies with the most rigorous safety standards. We put our resources to work for you as a trusted one-stop partner for the “heavy lifting,” allowing you to focus on new ways to grow your operation.

We can handle every detail of a project, from early planning stages through project completion. With cutting-edge technology and state-of-the-art equipment, we make it possible for clients to move more — and do it more efficiently and effectively than ever before.

It's why the **SUPOR** team has earned the premier reputation for attention to detail and exemplary customer service.

Advanced equipment, unbeatable support

Along with **SUPOR's** heavy haul and trucking equipment comes our world-class 24/7 technical support. With our proficient planning team and state-of-the-art software system, we can choose the right tool for the job.

SHH is a natural fit for your trucking needs. Specializing in transporting heavy, over-dimensional freight, **SHH** transports freight throughout the United States and Canada. Now in our third generation as a family owned and operated business with over 60 years of experience, we regard our customers as part of our family and, we take pride in knowing that our customers chose us because they want the best.
